

Getting Started

SERFF is the most cost-effective and efficient way to submit rate and form filings to the states and jurisdictions. Skeptical? **Download the Cost-Benefit Model**, input your company data and see for yourself!

Outside of training or the tutorial and the possibility of using a data hoster, you will only need an Internet Browser and Adobe Acrobat or a PDF producer to submit filings with SERFF. There are no licensing fees to use SERFF.

To start the licensing process, complete the following pages and send to serffmktg@naic.org. Once the SERFF team receives your completed paperwork, we will contact you to begin the next steps.

In addition to the implementation paperwork, new licensees will need to answer the following questions:

1. How will you pay for your SERFF transaction fees? Pay as You Go___ Filing Block___

SERFF has no licensing fees. The only fee is a per-filing transaction fee. Paying for your SERFF transactions is simple. You have the option of "Pay As You Go" or purchasing a block of filings.

Click here for the SERFF Pricing Structure. Please indicate above which pricing model is right for you.

2. When will you complete SERFF training? Date: _____ Training Class___ Tutorial___

We require that new licensees attend either the NAIC Training class or the SERFF tutorial. To learn more about the NAIC SERFF training class, [click here](#). To see a list of upcoming tutorial dates, please [click here](#). Please let us know which one you will attend.

Please note that we **cannot implement** a new licensee until the licensee attends the training or the tutorial.

3. Will you work with a Data Hoster? Yes___ No___

We partner with two data hosters. [Click here](#) to learn more. If you would like to take advantage of the data hoster services, please let us know.

4. Will you need to pay your state filing fees electronically using Electronic Funds Transfer (EFT)? Yes___ No___

Companies have the option to use EFT for payment of state filing fees. [Click here](#) to access the Non-Standard EFT Agreement. Please complete the agreement and send to serffmktg@naic.org.

Nearly half of all states have mandated that their state filing fees be paid via SERFF EFT. What that means is, if you do business in these states and pay a filing fee, **you will be required to license to use EFT via SERFF to pay your state filing fees.** Please note that EFT implementation can take up to two weeks to implement, therefore please don't delay.

The SERFF Marketing Team is available to walk you through the licensing process, answer any questions and introduce your company to SERFF. If you have any questions, please contact the SERFF Team at (816) 783-8787 or serffmktg@naic.org.
